# Niagara Falls & Toronto, Canada

## 3 Days - Tour from New York to Niagara Falls, Toronto and Finger Lakes

### Day 1 - New York City to Niagara Falls

The journey of a lifetime begins in the greatest city on Earth, New York City, where we'll depart for the mesmerizing Niagara Falls. Along the way, we'll soak in breathtaking views of the dense forests, cascading waterfalls, and rugged terrain of the majestic Appalachian Mountains, and cross over the awe-inspiring gorges and beautiful natural scenery of the Delaware Water Gap. Afterwards, enjoy a refreshing break at a stunning Lake Geneva—part of Finger Lakes State Park—and hike through the pictorial gorges of Watkins Glen State Park. We'll finalize the day with a stop at Galleria Mall, the region's first-rate dining, shopping, and entertainment destination, before spending the night at Niagara Falls.

### Day 2 - Niagara Falls and excursion to Toronto

Get ready for a unique blend of adventure and exploration! Our day begins with an invigorating tour of Niagara Falls State Park, where you'll experience a captivating overlook of American Falls, the 2nd largest of Niagara's three waterfalls, and explore a 1.5-mile stretch of dazzling scenery from Goat Island. We'll also board the iconic Maid of the Mist Cruise and experience the thunderous roar of the Falls up close.

Then, we'll take you to Toronto where you'll explore the vibrant Eton Center and admire the grandeur of Ontario Parliament and Toronto City Hall. By mid-day, we'll take you back to Niagara to explore the quaint town of Niagara-on-the-Lake, as well as the largest of the waterfalls, Horseshoe Fall, and Clifton Hill. As the day comes to an end, feel free to admire the mesmerizing sight of the falls illuminated by colorful lights. This will be a day full of incredible experiences and memories you'll cherish forever!

### Day 3 - Niagara Falls to Corning

It's time to wave goodbye to Niagara Falls and head to Corning, NY to explore its unique boutiques, antique stores, art galleries, and get a feel for the local culture. The stop includes a trip to Corning Museum of Glass where you'll have the chance to participate in a captivating glass making activity that is a fun experience for people of all ages. Then, it's off to the Outlet for some serious retail therapy.
